

Richfield Trading International

Your Trusted Partner in Polymer Supply

About Us

At **Richfield Trading International**, we specialize in providing high-quality polymer materials at competitive prices. Our core values — **reliability**, **honesty**, and **fast delivery** — ensure your production runs smoothly and efficiently.

Our Product Range

Polyethylene (PE): LLDPE, LDPE, MDPE, HDPE, Metallocene, EVA, EBA

Polypropylene (PP): Homopolymer, Copolymer

Other Polymers: PET, PVC, HIPS, EPS, ABS, POM, PC

Certified Recycled Materials: Sustainable and eco-friendly options for greener production

Why Choose Richfield?

■ **Global Presence:** Warehouses strategically located across Europe (Netherlands, Poland, Slovenia, Spain).

■ **Flexible Logistics:** We handle bulk or partial shipments with tailored delivery solutions.

■ **Fast & Honest Service:** Dependable supply chain support that keeps your operations running seamlessly.

Let's Work Together

We're ready to help you secure a steady, transparent, and cost-effective supply of polymers. Reach out today to discuss your material needs.
